

Mexico Trail Riders, Inc. Membership Application YEAR: \_\_\_\_\_

Membership year is September 1st through August 31st. Any application received on or after April 1st will be credited to the following year. NYS Charities Registration 20-50-85.

The Mexico Trail Riders membership is \$30 per year, with \$24 going to the club, \$5 to the NYSSA for their basic membership, and \$1 to SLEDNY. This is for an individual or family; this includes you, your spouse (married or not) and all children under 18. You may also select to upgrade the NYSSA membership to the Trail Defender level, by selecting this you are doing this in lieu of the basic NYSSA membership, the additional cost is \$20. If you have already joined NYSSA through another club, you can claim exempt. MTR membership includes a state registration voucher and decal.

For the DMV voucher we need the EXACT names and address as it appears on all registrations. We have provided spaces for six names, member, spouse (married or not) and up to four children, if there are any additional names required, please include them on a separate piece of paper or on the back. Addresses must all be the same, which is what defines a family in the eyes of the voucher. We have provided for a separate mailing and voucher address if needed, if not leave voucher address blank. We only need last names if they are different from the member.
